Compiling and Validating a List of Child and Youth Datasets in Ottawa

Presented by: Catherine Millar
Research and Evaluation Task Group,
Growing Up Great

Exploring a Collaborative Solution for Data

 December 7th , 2012

 Outcomes:

- Data Wish List
 - Themes and Priorities
- Inventory of Datasets for Ottawa
 - Currently collected and CAN be shared
 - Currently collected but CANNOT be shared

Exploring a Collaborative Solution for Data

List Compiled at Meeting

Availability	# of datasets
Public	21
Restricted	11
Restricted, but could be made public	20

Compilation and Validation - List of Datasets

GUG – Research and Evaluation Task Group

- Created an excel template to populate with datasets
- Worked with Katie Dubeau, student at Carleton University
- Validated list from Dec. Meeting
 - Follow-up with several organization
 - Expansion of larger groupings into specific datasets (e.g., City of Ottawa Open Data)
- Added other datasets known to GUG-RETG members

Ottawa **Child & Youth** Initiative
Growing Up Great

Initiative pour les
enfants et les **jeunes**
Mieux grandir
