DEVELOPMENT
TASK GROUP

May 9, 2023,
7pm on Zoom

Trauma Aware Practice in the Early Years

**Facilitated by: Mandi Pekan, MA, RP, The Centre
for Resilience and Social Development**

A workshop for professionals who work with children and families ages 0-6. This workshop seeks to provide an overview of early childhood trauma, as well as practical tips and strategies for incorporating trauma-informed practices to foster positive childhood experiences. Additionally, the workshop will introduce strategies informed by Polyvagal theory. Session in English
